

Tanja Kraus

Tanja is a passionate and dedicated educator who gives you a greater understanding of your horse, physically, mentally and emotionally.

Her two books continue to receive rave reviews, and her live clinics offer an environment of calm and consistent learning for you, and for your horse.

2 day mid week Boutique clinics recommence in February across locations in Coffs Harbour, Gold Coast, Taree and Eungai Creek, or for those wanting to stay a little longer our immersion clinics are listed below.

All clinics have limited numbers to ensure personal attention, welcome all levels of horse and rider (contact us to chat about your needs), and cater to all disciplines – Tanja has competed across multiple English and Western events.
